Goals and Aspirations

- To make Mackay the fishing destination of Queensland
- The establishment of a net free zone (St. Helens- Seaforth) conditional upon commercial fishers receiving appropriate compensation
- Ongoing angler education
- Improved boat ramps and land based fishing facilities.
- Collaboration with stakeholders
- Encourage local and state government to understand social and economic benefits of recreational fishing.
- Improvement of fish habitat- more habitat= more fish
- Keeping our financial and social members informed
- Encourage and influence decision makers
- Support responsible fishing practices
- Totally independent of other state lobby groups
- Not duty bound by others policies and procedures
